Entrants are advised that this is a Mammoth Scale Event. Models entered must comply with the following requirements.

Monoplanes: Must have a minimum wingspan of 80 inches. Biplanes: Must have a minimum wingspan of 66 inches. Jets: (turbine or ducted fan) no minimum wingspan requirements. Helicopters and planes smaller than above: Not permitted. All flyers must be of Gold Wings standard. Models are to be scale of a full size aircraft.

VRF Admin staff will be conducting random measurement checks on planes so please ensure your model meets the above requirements.

* If your assistant (blue bib) will be involved at any time during the weekend with taxing, taking off, flying or landing your plane you will need to complete these details on a separate form marked assistant to which entrant.

Entry into this event is subject to the entrant agreeing that the Valley Radio Flyers Shepparton Inc. accepts no responsibility for damage or injury due to any actions taken or not taken by VRF members, officials, persons related to the event or the general public.

ENTRANT SIGNATURE _____
